### ***Group Dynamic***

Thank you for attending the Contemporary Adult Ministry of Calvary Community Church. We hope your experience will be a pleasant one. Our family consists of a high percentage of singles, as well as married adults. You will find people with and without children, people that are widowed, divorced or never married. We are a diverse group of people who love the Lord and who desire to fellowship with other believers.

### ***Group History***

Contemporary Adults began as a Singles ministry over 14 years ago under the name "Circle of Friends." In late 2005, after much prayer and deliberation, the group changed its focus and became an adult ministry for Christians over 35 years of age, regardless of marital status.

Due to the potential content of our studies, we respectfully ask that children of our attendees not be brought to class. Instead, please utilize the Children's Ministry. Thank you in advance for your assistance in this matter!
