Digging Deeper

In this group you will join with other ladies discussing the mornings teaching. Leslie and Ellie will be teaching on having a “*Soul on Fire for Jesus*”. There are several groups to choose from and it is a GREAT way to go a little deeper, ask a few questions and encourage one another.

Learning to Trust Again – Delph/Heller

God is about to give the strength and courage to be healed at last.

How thick is the wall you've built around your heart?

Maybe your wall is only one-brick thick because of a hurt you experienced as a teenager. Or maybe your wall is concrete-slab thick because of the pain of a divorce or broken promise. Either way, you have decided not to trust-even God. This book speaks to the heart of your relationships and provides the tools to demolish the wall. Deep down you know that the wall you've built also keeps out the One who can restore you.

Boundaries: When to say Yes and When to say No to Take Control Of Your Life – Cloud and Townsend

Having clear boundaries is essential to a healthy, balanced lifestyle. Boundaries impact all areas of our lives: Physical boundaries help us determine who may touch us and under what circumstances -- Mental boundaries give us the freedom to have our own thoughts and opinions -- Emotional boundaries help us to deal with our own emotions and disengage from the harmful, manipulative emotions of others -- Spiritual boundaries help us to distinguish God's will from our own and give us renewed awe for our Creator -- Often, Christians focus so much on being loving and unselfish that they forget their own limits and limitations

Dr. Henry Cloud and Dr. John Townsend offer biblically-based answers to these and other tough questions, showing us how to set healthy boundaries with our parents, spouses, children, friends, co-workers, and even ourselves.
